

Amy Chorew's Silver Monthly Coaching Program Learn How to Make the Internet Work for YOU!

*Do you know where your customers are right now?
They are online looking for you. Can they find you?*

You need to put the Internet to work for you NOW, and one of the industry's top instructors at The Tech Byte can help

Amy Chorew, speaker, coach and consultant, and her team at The Tech Byte have put together a personal Silver Monthly Coaching Program designed to get you on the Internet and using the powerful tools of Internet marketing to reach your customers. Your time is valuable and money is tight, so this great program gets you the most bang for your buck.

Here are just a few things you'll learn in The Tech Byte Silver Monthly Coaching Program:

- Technology:** Clear explanations and instructions on how to use the most affordable and effective tools you need to get up and running right away
- Social Networking:** 7-step system to get you plugged into social networking
- Internet Marketing:** How to use free tools to create videos and add your own voice; tips that will get a home sold plus attract new buyers and sellers; how to create a successful blog and website and more.

The Tech Byte Silver Monthly Coaching Program is only \$25/month and includes:

- A new solution-oriented recorded webinar each month that includes exercises and links that you can watch and work through whenever you have time. Plus access to a huge library of other great videos
- Downloadable checklists to help you monitor your progress
- Access to a live video conversations between Amy and leading experts once a month where you ask questions and download additional materials through links provided
- Monthly Tech Tips Newsletter
