Central Coast Chapter of the
Women's Council of Realtors
P.O. Box 16060
San Luis Obispo, CA 93406

Dear Central Coast Chapter of the Women's Council of Realtors,

Thank you for your donation of monetary support on 10/27/2015 valued at \$1000.00 in support of the AmpSurf program.

Your charitable donation to the AmpSurf organization will help us continue putting on great events like Operation Restoration, clinics up and down the coast of California, and in York, Maine. We are also partnering with wonderful organizations like Wounded Warrior Project, San Luis Obispo County Veterans Services, San Luis Obispo YMCA, and San Diego Parks & Recreation to extend our services where ever possible.

AmpSurf is working to make a difference in the lives of hundreds of participants every year. Our program serves injured active-duty military, disabled veterans, police, firefighters, adults, and children living with disabilities. Several hundred volunteers take part in our programs each year as well, and they are a major part of AmpSurf's continued success!

Your support allows us to help our returning injured veterans and disabled enjoy what most of us take for granted. Thank you again for your contribution to the AmpSurf program.

Sincerely,

Jim Stitt
