1. **You Will Make More Money.** WCR members average \$101,420 income per year vs. the national income average of \$34,900. Members earn an average \$11,713 in referrals through the robust WCR local and national referral network.
2. **Great Networking Opportunity.** Whether it's finding the perfect vendor to complete your Rolodex or meeting other agents, the ability to network with others at the top of their field is priceless. There is beauty in comradery with other industry professionals that can relate to your business.
3. **Culture of Success.** We are shattering the stigma that you need to break the competition in order to find success. Instead, you'll find a group of likeminded people who collaborate, with a true desire to help each other strive for their personal best.
4. **Informative Monthly Meetings.** Stay abreast of changes in the industry, learn new skills to keep you at the top of your game, and hone your communication style for continued growth in leadership. Our monthly meeting topics are designed to keep your toolbox full!
