Our Vision

Through our influence as successful business professionals, women will effect positive change in the profession and in the broader community.

As we enter the New Year, the Women's Council of REALTORS® Sussex County would like to wish everyone a very happy, healthy and rewarding 2018.

On May 6, 2008, the Sussex County Chapter of the Women's Council of REALTORS® was formed; submission was made to the National Women's Council of REALTORS® in Chicago, Illinois, for national charter as a local chapter. The Local Chapter Charter was issued on June 6, 2008. As we start the new year, we would like to thank all the support given by our Strategic Partners and members thru-out the years. We are now entering our 10th year as a group and as many of us have been together from the beginning, it has been very rewarding watching the Chapter grow. There have been changes thru the years, but the commitment and involvement of everyone has continued and as we welcomed new members, they too have become a vital part of our Network.

It is now time to start the Membership Drive for 2018. One of the main reasons for our Network's continued growth and success is the incredible support we have received from our sponsors and affiliates and we are now currently soliciting their support for the upcoming year. Attached are the levels of sponsorship and the description of each level. There are two forms, one as a Strategic Sponsor and the other as a Strategic Member. As a WCR Strategic Partner, there are many benefits you will receive:

- ☞ Build your business – Network with the most professional and successful real estate people in your community. We are established career professionals.
- ☞ Build future business relationships with our members – Our national referral network generates more than \$100 million in commission values annually.
- ☞ Low cost advertising with high exposure.
- ☞ Be a part of the business resource for Delaware – Stay in touch with the professionals, innovative systems and technology that drive the real estate industry.

We would like to ask you to support us in our endeavors. If you have any questions or need further information, please feel free to contact me anytime.

Thank you for your consideration and support!

Debbie Cobb, 2017 President
