DISCOVER NEW FRONTIERS IN OLD EUROPE

International Real Estate Conference

April 15 - 17 2019

Participating in Excursions & Conference

April 11 - 18, 2019

The Conference

Serbia is often called the hidden gem of Europe. It is becoming the new tourist attraction for all those interested in discovering new places to visit on an economical budget. With its mixture of cultures, it is the place where West meets the East. In this country you can see and feel the history and culture that lasts for centuries and yet experience the new developments and modern trends.

Serbia is also booming in real estate with lots of new innovative projects and opportunities that welcomes foreign investment. From its breathtaking views and historical architecture to their low taxation and convenient visa programs; Serbia is attracting the attention of more and more Corporate Businesses and real estate professionals from all over the world. This years International Real Estate Conference Learn to Succeed 2019, is an opportunity to meet this diverse group and expand your professional network. Discover new frontiers and opportunities in old Europe.
