

Proposal to Transform RVP to National Liaison

Benefits of Proposed New Structure

- Leadership:** enhanced national role, representation on Executive and nominating committees
- Dues structure:** streamlined and simplified
- National meetings:** transform to Caucus format. Region can put forward multiple candidates.
- Geography:** reduce from 9 to 3 (western, central, eastern)

What Remains Unchanged

- Elected** role
- Regional Conferences:** still encouraged to organize
- Training** at Network 360
- Liaise** with state and local networks and governors

Other Factoids

- Current proposal allows for one-year phase out period (fully implement in 2021)
- Proposal would also change nominating structure due to reduction in regions
- Vision is to elevate role at national level

Job Description & Duties

- ♦ Appointed to oversee the work of the National Women's Council in their respective region
- ♦ Act as the representative of the National Leadership Team in such matters as may be assigned to them
- ♦ Attend two annual meetings of the National Women's Council and chair the regional caucus meetings to conduct regional business affairs and exchange information
- ♦ Identify opportunities and/or challenges within the region and assist wherever possible
- ♦ Serve on National Executive Committee and nominating committee
- ♦ Attend any regional meetings (as needed - however, not required)
