The Women’s Council of REALTORS® was established in 1938 as the “Women’s Division” of the National Association of Real Estate Boards (predecessor to NAR) after leaders witnessed a growth of women working in real estate and increased participation of women at national conventions.

Since its inception, many dedicated members have served as role models and achieved many “firsts” in the industry and in their communities, cementing the Council’s reputation as an organization that builds influential business leaders in their businesses and communities. The Council’s nationwide community of 11,000 real estate professionals includes many of the best and brightest in the business. The backbone of the Council is its network of 250 local and state Councils with volunteer managers trained to position their groups as a business resource in their REALTOR® communities.

Working with the Women’s Council of REALTORS® was by far the best decision we ever made. The power of the network, education and the desire to help fellow members and partners succeed took our company from regional to national. Without Women’s Council, our company would never have grown as fast or as far which led to us being acquired at the end of 2015. Most importantly, I am lucky enough to call many of the members and leadership friends. If you’re considering a partnership with Women’s Council, take it and don’t look back!
