Taking Action!

Getting in touch with my WHY:

At the bottom of it all . . . what is motivating me to take on a leadership role for my network?

My AH-HA! Moments:

Network Governance and Management

Committing to Action

I will implement the following things as soon as possible:

My 'must-share' list of things I will share with my leadership team:

And back to . . . Getting in touch with my WHY:

What is one way getting in touch with my WHY will change my action, behavior or attitude in the coming year?

What is one way I hope to grow personally or professionally from my experience as a network leader?

 **“Leadership is action, not position.”**
