Treasurer's Report: Tami

Current Balance \$20,027 (\$15,003 in checking and \$5025 in savings).

All of the networks with the exception of North Idaho have gotten their budgets done. Sarah said she just went through how to do a budget with their leadership because they are all new and were unsure how to do one.

We are about \$7000 short on sponsorships to balance our budget.

Tami suggested that the Finance Committee help the local networks with learning how to use the new BillHighway program. She wants to do a meeting with the local leaderships to work on the BillHighway.

Canyon's budget is a mess and Boise Metro had some reporting issues, and Sarah is working with them to get it straighten out.
