Our Vision

Through our influence as successful business professionals, women will effect positive change in the profession and in the broader community.

On May 6, 2008, the Sussex County Chapter of the Women's Council of REALTORS® was formed; submission was made to the National Women's Council of REALTORS® in Chicago, Illinois, for national charter as a local chapter, and the Local Chapter Charter was issued on June 6, 2008. In 2017, Local Chapters are being re-designated as Local Networks.

As of January 1, 2017, our Sussex County Network has a total of 90 members registered through the National WCR, including 84 REALTOR® members and 6 National Affiliate members. There are an additional 26 Local Affiliate members.

Our Affiliate members (now designated as **Strategic Partners**) and our Sponsors are an extremely important part of our organization, providing support and expertise, and gaining benefits through exposure throughout the year to our Network of successful REALTORS®. We sincerely your interest in joining, and look forward to establishing a mutually beneficial relationship!

Attached is an outline of benefits available to assist you in further building your business through networking with and becoming a trusted resource for our members. You'll see opportunities for face-to-face exposure, and for low-cost high-impact advertising at our meetings and special events, and in our annual Preferred Vendors Directory which will be published for the 3rd year in 2017 and is becoming a go-to guide for our REALTOR® members and their clients.

We ask for your support, and look forward to supporting you as well. If you have questions or need additional information, please feel free to contact me any time!
