

Professional training so powerful, it'll keep your competition up at night.

It's a whole new marketplace out there.

Your customers are savvier and more demanding. There's more and more information, but less time to process it. And the competition is fiercer and faster than ever.

That's why the Women's Council of REALTORS® offers a professional designation designed for the way you work today: the Performance Management Network.

The Performance Management Network is a REALTOR® designation that's built from the ground up to bring you the real world skills, the know-how and the tools that will keep your business out front and on top of a lightning fast market.

Designed by some of real estate's best and brightest minds, the Performance Management Network's suite of professional performance training courses is taught by recognized experts who address the hot topics that are driving the marketplace and shaping your business:

- Negotiation strategies and tactics
- Networking and referrals
- Business planning and systems
- Personal performance management
- Cultural differences in buying and selling

Simply put, the Performance Management Network will give you the edge you need to take your business higher than you ever imagined. Giving your competition some sleepless nights.
