We are a network of successful REALTORS®, advancing women as professionals and leaders in business, the industry and the communities we serve. Children's Guardian Fund (CGF) is a privately funded organization that immediately responds to the needs of children removed from abusive and neglectful homes. We provide for emergency needs such as cribs, clothing, and other essentials and support more than 1000 children in our community. CGF also provides funding to help them reestablish normal childhood experiences such as playing sports, attending summer camp, tutoring, and driving lessons.
